For optimal performance, use in households with water pressure above 35 psi. The ShieldSpray™ feature may appear different at lower water pressures.

If you have any questions/comments/concerns regarding the ShieldSpray feature, please contact Delta Faucet Company at customerservice@deltafaucet.com or call us at 1-800-345-DELTA (3358). DO NOT RETURN TO RETAILER.

ShieldSpray™
Power off the mess without making a mess

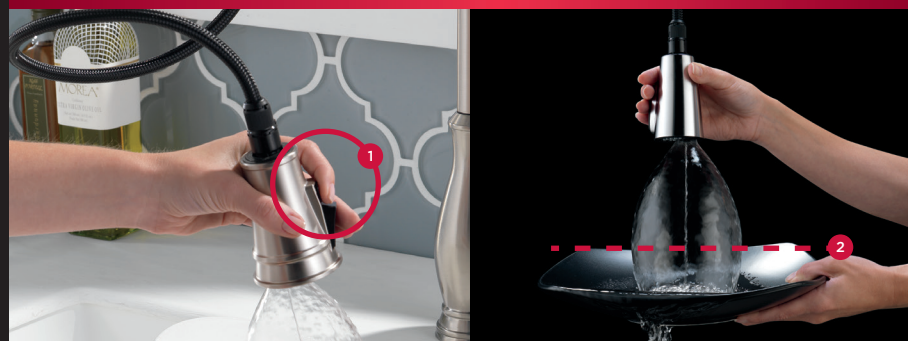

93538 Rev. A

ShieldSpray™

Delta® ShieldSpray™ Technology cuts through stubborn messes with a concentrated stream and contains the splatter with an innovative water shield.

Now you can power off the mess without making a bigger one.

How to Use ShieldSpray™

1. With the wand undocked, press to use the ShieldSpray™ mode.

2. Hold the plate 1/2 way through the bubble.

Tip: don't push the button while docked — always pull it close to the plate.

SHEET SIZE 6" X 11.875" - TRIFOLDS TO 4" X 6"
